

## **TCI Carriers**

TCI Carriers was founded in 1981. Our enthusiasm and the trust of several key shippers allowed us to grow into a mid-sized organization. We have access to a global network with the necessary modern operational and financial resources.

You can find more information at [www.tci-carriers.be](http://www.tci-carriers.be).

We are looking for the following profile (m/f) to support our continued growth:

### **Freight Forwarder (Import with experience)**

#### **The Role**

You will be responsible for managing shipping dossiers for multiple clients. You will meticulously handle the planning and profitability of the shipments. Daily, you will have frequent contact with customers, partners, and carriers, both by phone and in writing.

#### **Who We're Looking For**

You are communicative and multilingual; Dutch, French, English. Good knowledge of German and other languages is an asset. Additionally, you are driven with a hands-on mentality, stress-resistant, and enjoy working in a team.

#### **What We Offer**

You will be employed in a rapidly growing, fully digital company with real career opportunities. We are easily accessible by public transport. Our dynamism and infrastructure provide a pleasant environment. The remuneration is commensurate with your skills, experience, and performance.

#### **Interested?**
